

Get great performance from your team

Getting the best from your people means giving them the skills to do their job. Training and development is essential to keep your business safe, legal and delivering the best possible experience for your customers.

Best-One have partnered with Upskill People. They are the market leaders in retail online training, have years of experience and train hundreds of thousands of staff working for some of the best names in the business.

Your team can be upskilled at a time and pace to suit them. It's fast, effective and there's a full audit of all activity.

Your team get:

- Personalised accounts and passwords
- Access to highly engaging and interactive courses made up of enjoyable bite-sized modules, less time training more time with customers
- Individual learning 'road map'
- Assessments for each course to show what they have learned, complete with feedback
- Certificates for all courses passed

You get:

- Instant online reporting that lets managers easily see who has done what you need them to (and who hasn't)
- A compliant business with lower risk
- Managers' time freed up to focus on day to day operations
- Learning that's always up to date

Above all, an improved bottom line.

“ Consistency is really important and the courses are the same for everyone. Quality of training is guaranteed so people learn, understand and put their new skills into practice. **Online is far more cost effective than other formats.** ”

A range of courses are available covering topics such as:

- Legal Issues
- Health & Safety
- Restricted Products
- Food Hygiene

(see next page for packages available)
